Merapikan navbar serta membuat hover pada navbar

2.

Form Pemesanan

Rp0

[+ Tambah Menu](#)

Total Jumlah: 1
Total Harga: Rp0

Pesan Sekarang

Membuat form pemesanan yang berisi label pemesan, inputan nama pemesan, inputan nama menu, jumlah pesanan yang berbentuk kolom angka, + Tambah Menu (berfungsi menambahkan inputan jika jenis pesanan lebih dari 1), total pesanan (otomatis menjumlahkan pesanan), total harga(otomatis menambahkan harga), dan tombol pesan sekarang.

3.

The screenshot shows a web application interface. At the top, a dark grey header contains the text "localhost:3001 says". Below the header, a white alert box with a blue border and a blue "OK" button displays the message: "Pesanan dari arrofi" and "Total: Rp5.000". The main form area has a dark grey background. It contains a text input field with "arrofi" entered. Below it, a row shows "Es Teh" in a text input, "1" in a number input, and "Rp5.000" to the right. A blue link "+ Tambah Menu" is below the menu input. At the bottom of the form, a dark grey box shows "Total Jumlah: 1" and "Total Harga: Rp5.000". A blue button "Pesan Sekarang" is at the very bottom.

Membuat alert jika pesanan berhasil dikirim

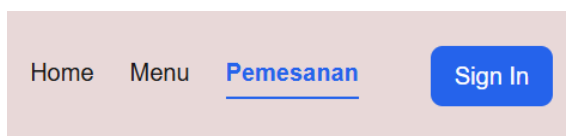

4.

A UI mockup showing three stacked input fields. The top field contains the text 'arofi'. The middle field contains 'es' and is followed by a small rounded button containing the number '1'. The bottom field contains the text 'Es Teh'.

Membuat rekomendasi inputan. Agar memudahkan user untuk menginput pesanan sesuai dengan menu yang tersedia.

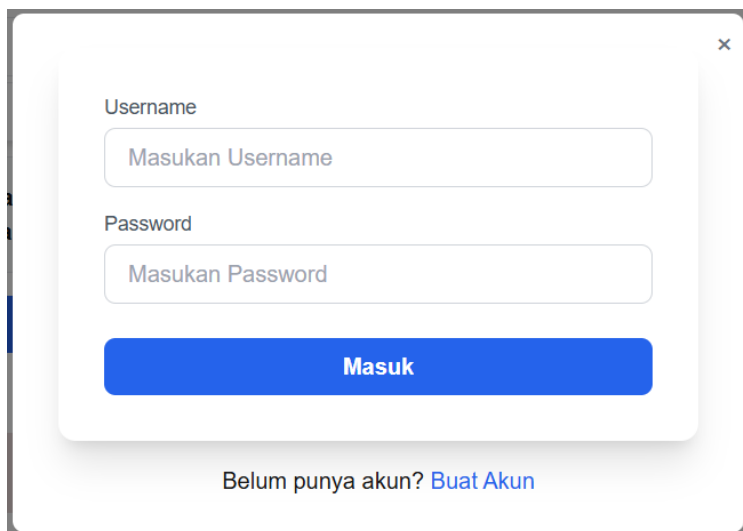

5.

A horizontal navigation bar with a light pink background. It contains four items: 'Home', 'Menu', 'Pemesanan' (which is underlined in blue), and a blue button with white text that says 'Sign In'.

Menambahkan tombol sign yang berfungsi sebagai masuk/daftar user.

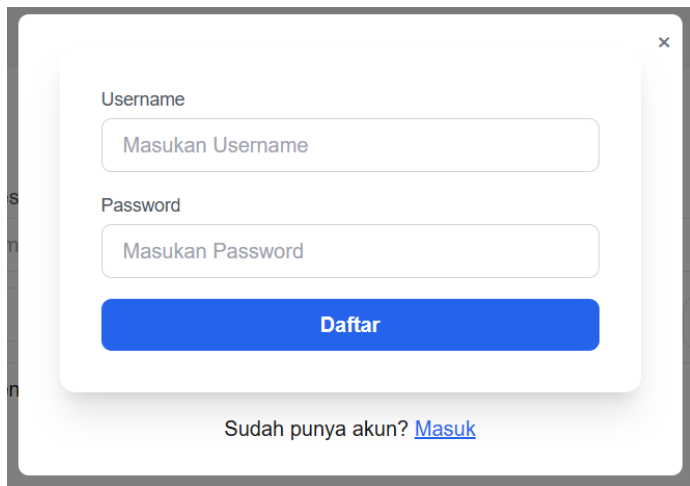

6.

A login modal window with a white background and a grey border. It has a close button (an 'x' icon) in the top right corner. Inside, there are two input fields: the first is labeled 'Username' and has placeholder text 'Masukan Username'; the second is labeled 'Password' and has placeholder text 'Masukan Password'. Below these fields is a large blue button with white text that says 'Masuk'. At the bottom of the modal, there is a link that says 'Belum punya akun? [Buat Akun](#)'.

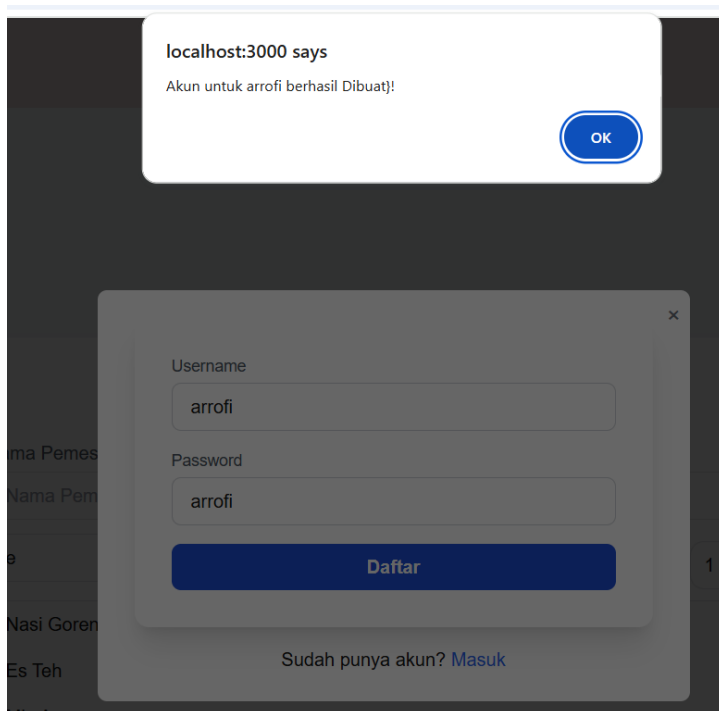

Membuat halaman login. Agar user yang sudah memiliki akun dapat masuk

7.

A modal form for user registration. It contains two input fields: 'Username' with placeholder text 'Masukan Username' and 'Password' with placeholder text 'Masukan Password'. Below the fields is a blue button labeled 'Daftar'. At the bottom of the modal, there is a link: 'Sudah punya akun? [Masuk](#)'.

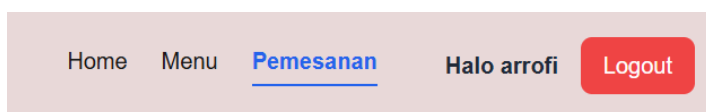

Membuat halaman signup/daftar. Agar user yang belum membuat akun dapat mendaftar

8.

The image shows a dark-themed background with a white alert box at the top. The alert box contains the text 'localhost:3000 says' and 'Akun untuk arrofi berhasil Dibuat!' with an 'OK' button. Below the alert is a semi-transparent modal for login. The modal has 'Username' and 'Password' fields, both containing the text 'arrofi'. There is a blue 'Daftar' button. At the bottom of the modal, it says 'Sudah punya akun? [Masuk](#)'.

Membuat alert jika berhasil membuat akun

9.

A horizontal navigation bar with a light pink background. It contains the links 'Home', 'Menu', and 'Pemesanan' (which is underlined). To the right of these links is the text 'Halo arrofi' and a red button labeled 'Logout'.

Jika user berhasil login, pada header website akan muncul “Halo ...” berdasarkan user yang terdaftar/login. Dan juga tombol logout, jika user ingin mengeluarkan akun nya
